

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

Federal Insurance Company,
as Subrogee of Mark Schiffrin
And Kim Schiffrin

v.

Civil No. 10-cv-333-LM

Good Old Days Contracting, LLC

O R D E R

On today's date, a telephone conference was held. Attorney Sean O'Connell appeared for plaintiff and Attorney Dona Feeney appeared for defendant.

Counsel requested a brief extension of the stay that the court ordered on April 7, 2011, and for the same reasons referenced in their original request (doc. no. 15). Counsel believe a global settlement is still likely; they simply need more time. The court grants the extension. Accordingly, the case is stayed until November 28, 2011. The parties should request a telephone conference with the court on or before that date in the event they desire a further extension.

SO ORDERED.

Landya B. McCafferty
United States Magistrate Judge

Dated: October 27, 2011
